PROFILE

MITHRA & COMPANY (VENKATACHALAPATHI TRADERS) is a leading manufacturers and trading company Dealing in polyester sewing threads and polyester texturised filament threads and garment accessories. We are leading manufacturers of sewing threads dealing in superior of material over a decades now. **MITHRA & COMPANY (VENKATACHALAPATHI TRADERS)** has established itself as a qualitative enterprise in the market. The superior quality products and competitive prices that we offer how our position at the top part 25 years .

Application Area.

- 1 Knitted Fabrics
- 1 Woven Fabrics
- 1 Mattress
- 1 Tapes
- 1 Embroidery

TEAM AGNI

We have steered ahead and have become a name to be reckoned with in the manufacturing of sturdy packaging materials and industrial textiles with the support of our diligent team. Our team of engineers has expertise in manufacturing processes and has an integrated approach in producing customized products. They are competently supported by skilled technicians who are well versed in handling of hi-tech machines.

Our quality inspectors ensures that premium grade of raw material are used in manufacturing the textile machine spares. They keep strict vigilance over the manufacturing processes and ensure that only flawless products leave the factory premises.

Assurance

Our company is known for providing qualitative products. We have been able to build trustworthy image by regularly inspecting the products on different quality parameters. We have a separate quality control department where various procedures are followed to maintain and enhance the quality of products. Our quality inspector conducts various tests on the raw material before subjecting them to manufacturing. They keep a strict vigil on all the production processes till the final dispatching of products. Some of the parameters on which we test our packaging material and industrial textiles are.

- 1 Count Test
- 1 Twist Test
- 1 Quick Shrinkage (hot air with testrone instrument)
- 1 Tensile Strength (with stress strain curve)
- 1 Yarn Imperfection Test
- 1 Fastness Test (washing fastness and perspiration test)
