RAINBOW INC

Manufacturers of Sequins

Sustainable Products for Sustainable Business

Rainbow Inc. incorporated in 2005, is a part of the larger conglomerate known as the Venkatachalapathi Traders, which was founded by Shri Kesavar Senthil in the year 1992. Rainbow Inc. is engaged in manufacturing, designing and marketing of sequins for use in garments and other fashion accessories. The company business ethics is supported on three pillars of quality, social responsibility and customer needs.

It has the capability of toll production for customized products and actively involves itself in the latest development and innovations in its particular field. The latest in its list of developments is, that Rainbow Inc is the only company throughout India which offers REACH complaint sequins that are free from SVCH, CMR, PBT, vPvBvT substances.

As a socially responsible organization the company actively donates to the cause of the deaf and dumb children of Tirupur. It also takes care of its employees by providing them with living quarters as well as supporting them monetarily for their children's education. The Company Belive that any business is incomplete if the society at large is not benifited and this remains the guiding force in all our endeavors. The company is morally committed towards other social and environmental causes and we live by the motto " sustainable products for Sustainable Business".
